Dear Year 11 Parents and Guardians,

**RE: Welcome to Year 11**

Welcome to the 2025-2026 school year. My name is Mr. Duffy Parry, the Head of Years 10 and 11. I hope you and your child are looking forward to the new school year. I am very much looking forward to supporting your children in the build up to their IGCSE exams.

For Year 11 students, this year's focus will be on preparing for mock and final examinations, learning to prioritise tasks, coping with workload under pressure and how to achieve a 'study and play' balance. International research shows that the number one factor in improving a student's achievement at IGCSE is their attendance, so please do all you can as a family to ensure your son/daughter attends school on-time every day to ensure they have the very best chance of realising their potential.

Subject teachers will provide lesson information and tutors will support your child during the academic year. If you have any queries, please contact your child's tutor in the first instance:
