

## KS4 Drama

### Marking and Feedback Framework

#### Introduction

Marking and feedback in GCSE Drama is used regularly to support learning and progress at ISB. We encourage students to reflect and improve on their work and apply feedback directly to their work to become more skilled, confident and independent learners. Focus in KS4 is both written and practical.

Regular **verbal feedback** is key to a successful Drama curriculum and is ongoing throughout every lesson. Students show their understanding through the application of the feedback given during the lesson. Our aim is to support and guide students' learning and ensure that feedback is understood and applied to help them progress.

## How do students know where they are working at and what to do?

- ★ **Assessment rubrics and success criteria** are introduced at the start of a new scheme of work and referred to throughout lessons, during any DIRT lesson and before any summative assessment.
- ★ **Mid-point check in and Summative assessments** takes place mid-way and at the end of each unit of work to help the student know the specific skills and areas to improve.
